The personal information that you provide in the application will be treated to the extent required to make an assessment of whether you can be accepted as a tenant. Therefore, information is needed from people who can speak about you. By providing information on referees, you agree that data may be collected from these individuals. Information can also be obtained from credit reporting agencies and authorities.

The information will only be discussed within the housing company. You have the right to once a year receive information about what personal data about you is processed and how they are treated. You can also request correction of the personal data that is being processed.

The personal information about you will only be used during the time your application is up to date. That is, after signed contract, your application will be deleted. Furthermore, this means that all personal information will be erased when you have announced that you no longer wish to remain as a tenant and in search for accommodation with us.
